Symphonic Winds

Thursday, March 9th

Wind Ensemble

Friday, March 10th

Our adjudication will consist of three judges listening to and critiquing our performance while writing down and recording comments for us to review. They will then assign us a rating of our performance on a scale from I to IV, with I being the highest. After our performance we will move on to the sight-reading portion of our adjudication where one judge will rate us and give us comments. The four scores will be combined to determine our overall rating.

Assessments this year will take place right here at **Perry Hall High**. Because we are the host school, each of our ensembles must perform **first** on their given day. The times in the box below apply to BOTH BANDS. Since we are not traveling to assessment this year there will be no field trip permission forms. *Since there will likely be no one in the audience to hear our performances, parents and friends are welcome and encouraged to attend.*

After our performance, we will be listening to two other groups' performances and it is expected of all students to demonstrate your best concert etiquette and be supportive of the other programs in the county. Handle yourselves with pride and dignity as a member of the Perry Hall instrumental music program.

Since we are hosts this year, members of the ensembles who are also in Tri-M Music Honor Society will need to volunteer to escort the other school ensembles throughout the week. More information will be provided regarding being an escort after we have coordinated all the details with the Music Office staff.
