#### Symphonic Winds

11:00am  
Wednesday, March 14<sup>th</sup> (A day)

Our adjudication will consist of three judges listening to and critiquing our performance while writing down and recording comments for us to review. They will then assign us a rating of our performance on a scale from I to IV, with I being the highest. After our performance we will move on to the sight-reading portion of our adjudication where one judge will rate us and give us comments. The four scores will be combined to determine our overall rating.

Assessments this year will take place at **Owings Mills High School**. Our performance will occur DURING THE SCHOOL DAY.

After our performance, we will be listening to two other groups' performances and it is expected of all students to demonstrate your best concert etiquette and be supportive of the other programs in the county. Handle yourselves with pride and dignity as a member of the Perry Hall instrumental music program.

Since the performances will overlap your regular lunch time and you will not be able to eat or drink in the OMHS auditorium, it is recommended you bring snacks to have on the bus. We will also eat lunch at White Marsh Mall before returning to school. You may arrange with your director to have your parent pick you up at this location if they prefer.
